SUMMARY

Motivated BCA graduate with knowledge of Python, Web Development, and Database Management. Looking for an opportunity to enhance my technical skills and contribute to company growth.

PROFESSIONAL EXPERIENCE

INTERSHIP

During my internship, I worked on designing and developing different web pages such as the Home Page, Login Page, and About Us Page.

I used front-end technologies like HTML, CSS, and basic JavaScript to create responsive and user-friendly interfaces. I gained practical experience in webpage design, layout management, form creation, and improving user experience.

This internship helped me enhance my web development skills, teamwork, and understanding of real-world project development.
